2016 Contact Banker Network

The Mississippi Bankers Association is updating our Contact Banker Network in order to assure the MBA grass roots remain strong. Please copy and distribute this form to all bank directors, officers and employees who have a connection to a member of the Mississippi Legislature. As a contact banker, you might be asked to contact your legislator during the legislative session. We will only ask you to contact legislators as needed.

We realize that some bankers may have filled out a similar form in 2015 or before, but we ask that everyone fill out a new 2016 form so our records may be kept up to date.
