PURPOSE AND PHILOSOPHY

The Mississippi School of Banking, established in 1970 by the Mississippi Bankers Association, provides the practicing banker an integrated and complete set of usable courses covering all aspects of banking, as well as overall bank management.

The School fosters academic and social interactions with fellow bankers conducive to joint bank problem solving at the School and later in the workplace. The curriculum is designed as a stepping stone to graduate banking schools.

BENEFITS

Senior bankers in Mississippi recognize the Mississippi School of Banking for the quality of its graduates. This program assists practicing bankers' advancement in their careers by improving their abilities and expanding their horizons.

Graduates of the school are successful because they receive:

- Instruction from qualified faculty selected for their banking experience, knowledge, and delivery style
- Mississippi-based cases on current banking problems and solutions
- Proven, professionally-coached bank management simulation
- Informal opportunities to exchange ideas and build relationships with other aspiring bankers

ELIGIBILITY AND ADMISSION

To be admitted as a first-year student, an applicant must be:

- An employee or director of a commercial or savings bank, savings and loan association, or bank regulatory agency
- A high school graduate
- Twenty-one years of age when classes begin
- Approved by a senior officer of his or her institution

Applicants are accepted until the first-year class is filled. Preference is given to Mississippi Bankers Association member institutions.

- Real Estate Lending
- Retail Banking
- Total Banker
- Trust Services

"The Mississippi School of Banking is a great tool for developing the future leaders of our industry. Personally, I walked away with an appreciation for the effort that is put into building a strong, stable bank and a better overall understanding of what I can do to impact our growth. It's also an excellent opportunity to build strong relationships with other bankers from across the state. I really appreciate the investment that my company made in my future."

*- Lamar Daley, Business Banking Manager
Hancock Bank*

“For Mechanics Bank, Mississippi School of Banking is fundamental in the development of our rising bank managers. The school is a comprehensive course of study, and the diverse faculty provides a training opportunity that is difficult for a community bank to duplicate. Our employees return from MSB with new ideas, increased confidence and a commitment to being bankers rather than simply employees. Personally, the Mississippi School of Banking enhanced my own opportunity to become a bank leader and the relationships developed from the School of Banking have proven invaluable for my career and our bank.”

-Cam Tyler, President
Mechanics Bank

on campus during the MSB session..

GRADUATION

The MSB Board of Trustees has adopted the following policies regarding requirements to graduate from the Mississippi School of Banking:

1. A student is required to attend all classes, complete and pass all assignments, and attend first- and second-year award ceremonies in a timely and professional manner.
2. If a student misses class and/or school-sponsored activities for any reason, then the student may be required to return in a subsequent year and attend all classes for the same (first year or second year) class year. Tuition is not refunded.
3. A student must complete and pass all requirements for certification by June 30 of the fourth calendar year after the first year of classes. For example, a student beginning classes in 2016 must complete all requirements by June 30, 2019.
4. A student must successfully complete and pass all assignments before being awarded a certificate. Students who successfully complete all but one MSB requirement for a certificate may participate in the award ceremony but will not be awarded the certificate until all MSB requirements are completed.
5. Students will abide by standards, rules and regulations of the University as well as adhere to professional and ethical codes of conduct.

The MSB director or registrar may exercise discretion, including warning, expulsion, notification of a student's employer, waiver or modification, in the administration of the above policies so as to provide reasonable implementation in individual circumstances. Otherwise, MSB academic activities and functions are administered by the director.

TUITION

Tuition covers instruction, housing and meals, as follows:

- Books, materials, and certificate of completion
- Alumni House Hotel double-occupancy room
- Daily breakfast and lunch
- Registration and first night's reception
- Speakers and special events
- Graduation buffet

REFUND POLICY

If it becomes necessary for an applicant to withdraw from the School, the following formula will be used for refunds:

- At least six weeks in advance – 100 percent refund
- Three to six weeks in advance – 50 percent refund

No refunds will be made with less than three weeks' notice.

DONALD L. MOAK ACHIEVEMENT AWARDS

Each year, students achieving the highest academic standard in their graduating class are presented the Donald L. Moak Achievement Awards. These cash awards, provided by the MBA Education Foundation and the Mississippi Young Bankers, are presented at the graduation ceremony.

ACCOMMODATIONS

Classes are held in the Yerby Continuing Studies Center, located on the University of Mississippi campus in Oxford. Overnight accommodations are in the adjacent Alumni House Hotel.

Requests for single-occupancy rooms will be honored on a space-available basis. If provided, an additional fee of \$325 will be charged.

All students, including local residents, are required to live

SPECIAL FEATURE

Bank Exec, Second Year Students

This advanced simulation provides students with an understanding of how to manage the entire bank. Students make bank decisions in a competitive world that promotes growth, profitability and survival. They are coached by a nationally-prominent instructor and receive reports from the American Bankers Association-produced computer simulation.
